

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PETITION OF SOUTH WILLIAMSON REAL)	
ESTATE CO. FOR APPROVAL OF INITIAL)	CASE NO.
RATES AND OPERATION OF A WATER)	97-014
AND SEWER TRANSMISSION SYSTEM)	

O R D E R

On January 3, 1997, South Williamson Real Estate Co. ("South Williamson") applied to the Commission for authority to establish initial rates and to operate a water and sewer system. In its filing, South Williamson filed a proposed tariff with an effective date of February 1, 1997. However, since 30-days' notice to the Commission is required, the correct effective date of the tariff is February 2, 1997.

The Commission finds that, pursuant to KRS 278.190, further proceedings are necessary in order to determine the reasonableness of the proposed rates and that such proceedings cannot be completed prior to the proposed effective date. However, since South Williamson is already providing service to its customers, the rates should be suspended for one day and allowed to become effective subject to refund on February 3, 1997.

IT IS THEREFORE ORDERED that:

1. South Williamson's proposed rates shall be suspended for one day and allowed to become effective subject to refund on February 3, 1997, subject to further change as may be ordered by the Commission.

2. Nothing contained herein shall prevent the Commission from entering a final decision in this case prior to the termination of the suspension period.

Done at Frankfort, Kentucky, this 30th day of January, 1997.
